UNITED STATES DEPARTMENT OF AGRICULTURE  
Agricultural Adjustment Administration  
Washington, D. C.

[Telephone Directory]

June 16, 1933

Attached hereto is a list giving the names, titles, room numbers, and telephone numbers of the employees of the Agricultural Adjustment Administration. This list has been carefully checked room by room and is believed to be correct as of June 15.

An effort will be made in the future to issue supplements to this list every few days, which will contain all changes in room numbers or telephone numbers, and which will also contain new employees added to our rolls. In order that these supplements may be accurate, it is urgently requested that each Division and Section head advise the Personnel office immediately of any change in room numbers or in personnel.

If errors are noted in the attached list, they should be brought also to the attention of the Personnel office, and they will be taken care of in the supplements.

F. J. Hughes,  
Administrative Assistant.
